COGS 108 - Assignment 6: Natural Language Processing¶

This assignment covers working with text data and NLP.

This assignment is out of 8 points, worth 8% of your grade.

PLEASE DO NOT CHANGE THE NAME OF THIS FILE.

PLEASE DO NOT COPY & PASTE OR DELETE CELLS INLCUDED IN THE ASSIGNMENT.

Important¶

- This assignment has hidden tests: tests that are not visible here, but that will be run on your submitted assignment for grading.
  - This means passing all the tests you can see in the notebook here does not guarantee you have the right answer!
